MINISTRY OF EDUCATION

PREAMBLE

I would like to congratulate Darul Kitab for their success in publishing this book “IQRA’ The Quick Method of Learning to Read Al Quran”. This book was completely edited by the panel of tashih from the Ministry of Education Malaysia.

This method of learning to read Al Quran was arranged by Ustaz Haji As’ad Humam from Yogyakarta, Indonesia. After a thorough research, the Ministry of Education Malaysia have decided to adopt this method as a teaching guide for reading the Al Quran in all primary schools throughout Malaysia. This method was identify to be very effective in helping student to read Al Quran in a short period of time successfully. Besides Malaysia, this method was also adopted as one of the method in reading Al Quran by ASEAN countries.

Iqra’ method emphasis the teaching of reading Al Quran through the phonic method as how Jibril thought Prophet Muhammad (PBUH) to read Al-Quran and Prophet Muhammad (PBUH) later thought his family and companions the same method in reading Al Quran. This method was known as “*Talaqqie Musyafahah*” which will help children age from four to seven years old reading Al Quran in a short period of time excellently.

Based on thorough research conducted by the Ministry of Education Malaysia, this book was found to be very effective and aligned with the KBSR curriculum. It will also benefit Malaysian Muslims community in the effort to practice the reading of Al Quran as a way of life. I believed and confident that this book will help student in all primary and secondary school in reading Al Quran.

Finally, I would like to congratulate the publisher and heartiest thank for their commitment and cooperation given to the Ministry of Education Malaysia in the effort to eliminate the illiteracy of Al Quran among student. I hope that this continuous effort will be achieved successfully.

(DATO' SRI MOHD. NAJIB)

FOREWORD

Alhamdulillah, the effort to tackle Al Quran illiteracy in Indonesia has been a success, be it with collaborative support from all sides be it from the Ulil Amri, Ulil Amwal, Ulil Albab or even the public.

The problem of Al Quran illiteracy amongst Indonesian Muslims is very serious. The quest for new methods and the most practical yet easy system is serve as a teaching guide to read the Al-Quran and is suitable for all levels of the community is an ongoing process.

In 1988, the compilation of the book "*IQRA' The Quick Method of Learning to Read Al-Quran* " was completed. This book is actually an extension and improvement of the Baghdadiyah method. In a trial run, the book of six volumes was found to be effective, easy and practical for all ages. Since 1992, *alhamdulillah*, the book has had been the major guide for teaching Al-Quran recital amongst the Indonesian Muslims at home.

This book has been adopted by the Ministry of Education Malaysia as a teaching guide for reading the Quran in all primary schools, certain secondary schools and institutions throughout the country. This makes us very happy and proud.

We wish to convey our heartiest thank you to the Government of Malaysia in taking this wise step. It is our hope that this collaborative effort and cooperation will receive *redha* and *tawfiq* from Allah the almighty and also strengthen the *Ukhuwah Islamiyah* between Indonesia and Malaysia, amen.

PUBLISHER'S PREFACE

Praise be to Allah, the Lord of the worlds and peace be upon the noblest of all the messengers our Prophet Muhammad (PBUH), his family and his companions.

By the grace of Allah, we have made the effort to published this book “*IQRA' The Quick Method of Learning to Read Al-Quran*”. This success is not only that of the author and publisher, but it is also the success of the Muslims community in Malaysia. At the moment, Malaysia is trying very hard to inculcate Islam as an Ad-Din (the way of life), which would not be understood properly if the people were still Al Quran illiterate.

Hence, the publish of this book would also contribute to the effort in motivating and guiding students and teachers in the process of learning Al Quran as a key factor in meeting the future challenge. This is because Al Quran lighten one's life, not only in Dunia but also in Akhirah, as the noblest messenger our Prophet Muhammad (PUBH) once said to Abu Dzar :

“Be perseverance in taqwa to Allah, for it is the basis of anything that you do. Be consistent in reciting Al-Quran because in doing so, it can enlightens your life not only in this world but also in the hereafter”

We hope that this book which comprises of six volumes, would benefit and giving necessary guidance in learning to read the Al Quran.
